HELP US SECURE A NEW CLIENT, AND YOU'LL GET:

Up to \*3 months net rent-free on your existing lease

Up to \*R75 000 in cash for the referring employee

## HOW IT WORKS

Joe Smart works for Company X, an existing Growthpoint client.

Joe knows his friend Nandi is looking for new premises for her business, and he puts her in contact with a Growthpoint leasing consultant.

Growthpoint are able to find Nandi the ideal property, and she signs a five-year lease.

Joe provides Growthpoint with consent from his company to receive his reward, as well as his bank details and confirmation from his company on the preferred rental account to be credited.

Thirty days later, Joe has some extra cash in his pocket, and his company's accountant is smiling too!
